

## **Disclaimer**

The materials contained in this website are provided for general information purposes only and do not constitute legal or other professional advice. Quest Group accepts no responsibility for any loss which may arise from reliance on information contained in this site.

## **Introduction**

This is the Privacy Statement of Quest Group Holdings Limited and its subsidiaries ('Quest Group') website [www.quest-group.co.uk](http://www.quest-group.co.uk). Privacy and confidentiality of information of all types is central to our work. This Privacy Statement is intended to set out an explanation of what we do with any personal information provided to us by users of this website. The Privacy Statement is a statement of policy and, save for those rights and obligations set out in the Data Protection Act, it does not establish or create any additional user rights or any further obligations.

## **Links to other sites**

Quest Group has no control over or responsibility for the privacy policies of websites or organisations to which this website provides links. The provision of such links or references to third parties does not imply any endorsement by Quest Group of those third parties, nor does it imply any association or affiliation with their owners or operators. At present Quest Group has no links to other websites.

## **Personal Information**

Only limited personal information is collected and monitored by the Quest Group website and then will only be used for internal purposes. The information you provide enables us, for example, to provide you from time to time with other electronic information related to our business. Your personal information will not be passed to any other organisation without your prior permission unless we are required by applicable law to do so. As with most websites, we gather certain information automatically and store it in log files. This information includes IP addresses, browser type, Internet Service Provider, referring/exit pages, date time stamp and click stream path. This data does not contain any personal identifiable information and is used to analyse trends, administer the site, track users' movements

around the website during a particular session and to gather demographic data. The use of the internet to transfer information is not secure. Whilst we do our best to maintain security within our website and to safeguard your personal information, we cannot ensure or warrant the security of any information which you may transmit to us.

## **Cookies**

At present, the website does not use cookies (i.e. pieces of information which are transferred by your web browser to your computer's hard drive for the purposes of storing information about your preferences on a particular website).

## **Acceptance**

By using this site, you signify your acceptance of our Privacy Statement. We reserve the right, at our discretion, to change, modify, add or otherwise alter this Privacy Statement at any time. Your continued use of the website following the posting of these changes shall be deemed to be an acceptance of the revised statement.

## **Contact us**

Should you have any queries regarding the Privacy Statement or the treatment of any personal information which you have provided us, or you wish to be removed from the Quest Group email list or to update the personal information which you have provided to the website, please contact us on +44 (0) 20 7015 8650 or email us at the following address [pconnor@quest-group.co.uk](mailto:pconnor@quest-group.co.uk).
